PROGRAM SPOTLIGHT: Pregnancy Counseling

When most people hear of Bethany Christian Services, they think of adoption and the adoptive family. But on the other side of each adoption are parents who choose life. Bethany offers free pregnancy counseling to women of all ages facing unplanned pregnancies. Some facts about Bethany's pregnancy counseling ministry nationwide include:

- Bethany has served more than 65,000 expectant parents facing unplanned pregnancies since 1944.
- Bethany provides services to expectant parents at no charge.
- Bethany provides assistance for living and medical expenses.
- Bethany facilitates counselor meetings wherever it is most convenient for the clients – at home, in the community, or in a Bethany office.
- Bethany makes referrals to community partners to assist with a wide range of needs, from medical care to housing to child care.

When you give to Bethany, your support not only assists adoptive families, but it also helps us assist with the various needs of birth moms. This two-fold ministry is truly a blessing and we thank you for your past and continued support.
